Arrest and Trial of a French Captain on Grave Charges.

San Francisco, June 16.—Advices from Fiji report more difficulties with the natives in the interior. The French vessel Aurora and schooner Vera Cruz were charged with piracy and kidnapping natives. At the trial, at Levuka, there were thirteen witnesses to the latter charge. The evidence was one long narrative of seizure by force of arms, firing on the natives, violent detention of visitors, the running down and swamping of canoes, and otherwise obtaining men by frand and treachery. It is said that the career of the Aurora has been that of a systematic slaver and pirate; that ou a former voyage the Captain murdered a native by shooting him through the head while trying to escape by swimming from the vessel on which he had Washington, June 15.—Forty-two million five per cent. bonds have been received to date for continuance at three and a half per cent.
